Sara and Lorenzo:

Attached please find the transmittal to BCP's response to the initial response to the Section 114 request that was uploaded this afternoon along with a screenshot of the upload. Will you please confirm the documents were received on your end? If you have any difficulty with the documents, please let us know. You will note that BCP claims most of the responsive documents confidential business information. A justification is submitted with the transmittal letter. If you have questions or concerns, please let us know. I hope you both have a nice Labor Day weekend. Thank you.
